Sir:

In the Office Action mailed July 18, 2003, the Examiner stated that the Declaration previously filed in connection with the referenced application is defective. Specifically, the Examiner indicated that the originally-filed Declaration is missing a priority claim to provisional U.S. patent application serial nos. 60/189,674 and 60/201,789.

In response to the Examiner's requirement to submit a new Declaration, Applicants hereby enclose a supplemental Declaration signed by the inventors which contains a priority claim under 35 U.S.C. § 119(e) to provisional patent application serial nos. 60/189,674 and

60/201,789. Entry of the supplemental Declaration of record in the application file is respectfully requested.

No fee should be due in connection with this communication. However, if any fee is required, the Assistant Commissioner is hereby authorized to charge such fee to Deposit Account No. 23-1703.

Dated: Feb. 13, 2004

Respectfully submitted,
